### Theoretical Perspectives

MCEO teachings presently exist on Earth as a growing body of detailed information pertaining to the spirituality and science of creation and the history and evolution of humanity. MCEO teachings offer unique perspectives, techniques and technologies of mind and spirit that have proven useful to many people in the exploration and expansion of personal consciousness. Information contained within MCEO teachings represents a cohesive paradigm of ideas, beliefs and perspectives reportedly translated from ancient texts, which together comprise an affirmative and inspirational "point of view" or "world view" regarding the tangible realities of spirituality, the mechanics of creation, the history of our universe and the potentialities of the human condition. Like many popular "New Age" and "Traditional" paradigms of spiritual, scientific and historical beliefs, many points of view presented within MCEO teachings extend beyond the framework of presently recognized spiritual/religious, scientific and historical "fact" that can be verified through common contemporary scientific procedures. *Thus, like many other popular belief paradigms, including ALL known "New Age" and "Traditional" spiritual/religious doctrines and many fields of contemporary scientific study, the perspectives presented within the MCEO teachings must, too, be presently categorized as theoretical in nature.*

The *verifiable actuality*, and thus the potential validity, of the presently theoretical spiritual, scientific and historical perspectives of MCEO teachings pertaining to the **"Ancient Science of the Shields"** (scalar-standing-wave templates of matter and consciousness), **"Merkaba Mechanics"** (interdimensional electromagnetic vortex mechanics), **"DNA Template Activations"** (frequency accretion within the scalar template behind manifest chemical DNA), **"Interdimensional Structure," "15-Dimensional Anatomy," "Bio-Spiritual Healing"** (support of biological healing and well being through holistic spiritual practice) and **Humanity's Evolutionary Journey**, perspectives which are featured within the **MCEO Kathara Bio-Spiritual Healing Program, MCEO Maharata "Dance For" Programs** and related published works of the MCEO, cannot at this time be "proved or disproved." Therefore, the MCEO Paradigm and its related teachings, techniques and technologies are offered to the public as a unique and inspirational view point, solely for the purpose of public investigation, consideration and theoretical exploration.

Though the presently theoretical categorization of MCEO teachings within the public sector is recognized, it should also be recognized that members of the Azurite Press, Trustees and the AP Regents Council, as well as authorized MCEO translators/authors and teachers and many individuals within the international community, have personally chosen to accept the validity of MCEO teachings as representing more than a theoretical perspective, instead acknowledging the MCEO Paradigm as a factual reality interpretation, and practical worldview, through which progressive expansion of personal consciousness and coherent spiritual awakening are fostered. Such decision as to the factual or theoretical categorization of the MCEO Paradigm, and the responsibilities inherent to this decision, are deeply private spiritual issues, and thus must be assigned to the faculties of personal discretion.

### MCEO Meditations for Spiritual Exploration, Medical and Psychiatric Considerations

As the MCEO Paradigm is built upon presently theoretical spiritual, scientific and historical perspectives, any and all techniques and technologies offered through the MCEO Paradigm must also be considered as presently theoretical in nature, and thus any and all techniques and technologies presented within MCEO teachings are ***not intended to diagnose, treat or cure any disease or illness, nor are they intended as substitution for professional medical or psychiatric advisory or treatment.*** Techniques and

technologies provided within MCEO teachings are offered to the public solely as "***Meditations for Spiritual Exploration***," with the intention of assisting to serve the further evolution of human consciousness through providing exposure to an expanded range of perspectives and potentialities. **It is strongly recommended that individuals having a history of medical or psychiatric difficulties, or whom are presently under the care of medical or psychiatric professionals, seek professional advisory before using any MCEO Meditations for Spiritual Exploration techniques or technologies.**

Since introduction of *MCEO Meditations for Spiritual Exploration* techniques and technologies in 1999 many people have claimed to receive beneficial affects and effects in the development and expansion of personal consciousness and spiritual awakening through use of MCEO techniques and technologies. There have also been a lesser number of reports of individuals claiming to receive no affect, effect or benefit at all, but there have been **no reports of individuals claiming adverse medical, psychiatric or psychological affects or effects** in conjunction with use of MCEO techniques and technologies. As a reflection of commitment to responsibility in presentation, MCEO techniques and technologies are not presented for exploration in the public domain until they are first and/or simultaneously explored, utilized or practiced by authorized MCEO translators/authors/ teachers and members of the Azurite Press Board of Directors. Though validation of factual actuality pertaining to affects, effects or benefits of practicing MCEO Meditations for Spiritual Exploration techniques and technologies must, like the techniques and technologies themselves, for the present time remain within the realm of theoretical exploration, it can be reported that since 1999, findings pertaining to the practicality of utilizing MCEO techniques and technologies have consistently revealed that affects and effects of such practices are **quite individualized, though predominantly positive**, in nature. Therefore, however, **no claims, promises or guarantees as to the affects, effects or benefits an individual might expect to encounter through use of MCEO techniques and technologies can be offered at this time.** Utilization of MCEO Meditations for Spiritual Exploration techniques and technologies presently remains within the category of **experimental self-exploration**, through which absolute conclusions regarding generalities of mass affect, effect, benefit or detriment cannot yet be drawn. **An individual's involvement with MCEO teachings, techniques and technologies represents a choice of personal decision and discretion, and thus responsibility pertaining to affect and effect of practice that are inherent to this choice must also remain with the individual.**

### **Claim of Authenticity**

In offering MCEO teachings for public exploration, **neither the translators/authors, publishers, promoters or related individuals and organizations make any claims whatsoever as to the factuality of ideas or perspectives contained within the MCEO Paradigm.** Though the *MCEO teaching texts themselves* do on occasion claim that certain ideas and perspectives are of a factual nature, such claims represent points of view intrinsically contained within the ancient texts from which contemporary translations are drawn. The authorized translators/authors of contemporary MCEO teaching texts hold a binding commitment to ensure the clearest and most accurate translation of MCEO texts as possible under current evolutionary circumstances; a *commitment to clarity and accuracy of translation* that must include the allowance of contemporary translation of any *claims of factuality as they are contained within the MCEO texts of antiquity.* **Information represented as *factual knowledge* within the MCEO texts of antiquity, and their contemporary translations, is understood to represent "*potential or possible factuality, expressed as factuality within the ancient texts, but which presently resides within the domain of theory*" within the context of contemporary publication.**

The contemporary translators/authors of MCEO teachings ***claim only*** that the MCEO text translations contained within presently published works bearing their authorship represent an "as-accurate-as-possible" translation of MCEO text records believed to have been created in ancient times, which the contemporary translators/authors have had opportunity to review through ***authentic personal experiences.*** Translators/authors thus make claims only as to the ***authenticity of their personal experiences*** through which review of ancient MCEO text records occurred and as to the factuality that translation of the reviewed ancient MCEO texts into contemporary English language has been rendered by them as clearly and accurately as possible.

As the original MCEO texts of antiquity are not presently in the direct possession of authorized contemporary translators/authors, and thus contemporary translators/authors cannot at this time publicly display these artifacts in order to validate the reality of their continued existence and verify their inherent content, those who explore contemporary MCEO texts translations must understand that such works are presented as theoretical perspectives and possibilities, the validity of which one may choose to believe, or disbelieve, upon the merit of one's personal discretion. ***If ideas, concepts or perspectives contained within the MCEO texts, their contemporary translations or related teaching materials bear any resemblance to ideas, concepts or perspectives contained within any other presently known spiritual/religious, scientific or historical paradigms or teaching systems, such resemblance is purely coincidental.*** However, the event of such coincidence arising may potentially suggest that both the

MCEO Paradigm and paradigms to which it might bear resemblance **may have arisen from a common source in antiquity** that has yet to be discovered or scientifically verified, but which would upon discovery lend credence and clarity to such coincidence.

## **Terms, Conditions, Agreements and Implied Consent**

As contemporary MCEO text translators/authors can make no claims or promises as to the factuality of ideas and perspectives presented within MCEO teachings, they likewise **cannot offer any claims, promises or guarantees as to the affects or effects that may or may not arise through personal use of MCEO teachings or Meditations for Spiritual Exploration techniques and technologies**. The responsibility for decision to engage involvement with MCEO teachings, techniques or technologies rests with each individual, and thus the responsibility for any affects or effects that may or may not occur in conjunction with use of MCEO teachings, techniques and technologies must also rest with the individual. The *Meditations for Spiritual Exploration* techniques and technologies provided within MCEO teachings represent translations from the ancient MCEO texts, and are provided to the public as an **option for personal spiritual exploration, investigation and experimentation, to be utilized at the personal discretion of the reader or workshop attendee**.

As stated in numerous public forums and workshops since 1999, **in choosing to utilize MCEO teachings, techniques or technologies it is understood that *in so doing* the individual accepts full responsibility for any and all conditions that may or may not occur in conjunction with such practice**. It is further recognized that the individual, ***through the act of utilizing MCEO teachings, techniques or technologies, thereby through this act agrees*** to release Azurite Press, Trustees, the AP Regents Council, authorized Kathara Bio-Spiritual Healing Program teachers and facilitators (pertaining only to MCEO-sanctioned Kathara "no-touch" procedures), authorized MCEO translators/authors, teachers, promoters and any individuals and organizations thereto related, from any and all claims of liability or damages perceived or assumed to occur in conjunction with involvement in MCEO teachings, techniques or technologies. This statement of Terms and Conditions represents a written ***Notice of Implied Agreement and Consent to Liability Release*** in regard to involvement with MCEO teachings, techniques and technologies. This Notice of Implied Agreement and Consent of Liability Release represents a ***reiteration in specific written format of previously provided notice as to the necessity of taking personal responsibility for any and all consequences arising from chosen involvement with the MCEO Paradigm; notice which has been frequently provided verbally in public forum since 1999***. It is recognized that the ***Implied Agreement and Consent to Terms and Conditions of Liability Release*** stated here within is accepted and enacted as such ***upon the act of chosen involvement with and/or practice of MCEO teachings, techniques and technologies***. If one is uncomfortable or in disagreement with this stated ***Notice of Implied Agreement and Consent to Terms and Conditions of Liability Release***, it is suggested and recommended that one choose at this time non-involvement with MCEO teachings, techniques and technologies, until a future time wherein such concerns have been assuaged.

## **A Commitment to Quality and the MCEO Course-book Manuals**

The authorized MCEO translators/authors, members of the MCEO, Azurite Press, Trustees, Regents Council, teachers and promoters of the MCEO Paradigm extend their greatest efforts in making MCEO teachings available for public exploration in **the most responsible and respectful manner possible**, whilst striving to maintain the **highest standards of integrity in MCEO text translation and teaching**. Intrinsic to such responsibility in presentation, authorized MCEO translators/authors, members of Azurite Press, Trustees, Regents Council and authorized teachers and facilitators of MCEO programs are all individuals who personally believe in the factuality of the MCEO Paradigm and who actively participate, for personal spiritual reasons, in MCEO programs, including personal utilization of MCEO techniques and technologies. These individuals all share a **common commitment to achieving and maintaining integrity, quality and responsibility in public presentation of MCEO teachings**; this shared commitment arises from a commonly shared, individually held, reverence, respect, appreciation for, and belief in the validity of, the MCEO Paradigm, its inherent teachings of personal spiritual self-discovery and the limitless potentialities of human consciousness that this paradigm suggests.

On behalf of this commitment to quality, may it be understood that **MCEO Course-book Manuals**, as featured within the MCEO Kathara Bio-spiritual Healing Program, MCEO Maharata "Dance For" Programs, MCEO Masters Templar Stewardship Initiative Program and other MCEO teaching programs, **do not represent completed books**, but rather exist as **companion text briefings** that are created in conjunction with **specific corresponding live workshop presentations** which are preserved via **audio/ video recordings** that are made available on the *Azurite Press Products List* as specific Program Sets. The Course-book Manuals that accompany some of these audio-video workshop programs **contain only the charts, graphs and most pertinent information**

pertaining to their corresponding audio-video program, and do not contain the *many pages of dialogue and detailed explanation* that is incorporated verbally within the audio-video program. Thus MCEO Course-book manuals are not intended to be used alone, but are rather intended for use as an **additional educational aid in conjunction with their corresponding audio-video workshop program.**

As new MCEO workshop materials are often released and translated during live workshop presentations, the corresponding Course-book Manuals and their inherent graphs and charts often reflect the immediacy of the new information provided in that they are initially rendered **"in-the-rough,"** often with portions of text in hand-written form, not yet "perfected" for book publication with appropriate dialogue text detail, typesetting, computer graphics, pagination and indexing. As each new workshop since 1999 has introduced the next level of new, live MCEO data translations, there has been insufficient time to "move backward" and perfect the quality of production pertaining to MCEO Course-Book Manual texts from previous workshops. The information and new MCEO teachings contained within each workshop program always reflect the standards of integrity and quality inherent to the MCEO Paradigm, but often timely public release of new materials is achieved at the expense of quality in product production. **The Azurite Press staff apologizes for any inconvenience that such "data-in-the-rough" may cause; however, if workshop programs were withheld from Product List release until their audio/video recordings and corresponding Course-book Manuals were "perfected" in terms of product production, it would be several years before these materials were released for public review.** As new MCEO teachings are often time-sensitive in regard to the unfolding of planetary events, especially since 2000, it has been of greater priority during this time to expedite availability of the MCEO teachings contained within the products, than it has been to demonstrate the standards of excellence in quality product production that remains a goal of Azurite Press.

For the time being, MCEO audio-video-Course-book Programs are in a **state of continued evolution,** as the small staff at Azurite Press, with the assistance of numerous individuals who volunteer their time and talents, endeavor to compile dialogue transcripts and perfect typesetting, computer graphics and format organization of previous MCEO workshop presentations in effort to fulfill the goal of creating "perfected" book publications that contain, and "do justice to," the vast body of quality teachings that have been presented during the 1999-2003 MCEO workshops. The commitment to achieving excellence in quality of production, as well as quality of information, that is held by members of Azurite Press staff arises from the personal desires of staff members to "honor the spirit of the teachings" which they have found personally valuable, as well as from a desire to provide the best possible quality of product and service in spiritual respect to the public. Until the goal of achieving "perfected" product production quality is actualized, Azurite Press staff hopes that the public will share in the recognition that it is the **quality, and inherent substance, of MCEO information, more so than the "package that it comes in,"** which demonstrates the value of Azurite Press MCEO educational products.

The Mashayahana Master Council Elemental Adept Cloisters and incarnates carrying the “Codes of Elemental Ma-jhi” have, at various points in history, been referred to as the **“Ma-jhi-Ta”** (Ma-jhĒ-Ta), also known as **“Benders”** – a term referring to their abilities of “Elemental Command,” through which they could “Krystically Bend” and “Directly Co-create With” the Laws of Multidimensional Eternal nature (once they achieved full actualization of their Ma-jhi-Ta Codes).

The “Rite of ShĀ-DhaL-uun” represents passage into the **“Path of the Ma-jhi-Ta Adashi Adept”** which is the most accelerated path of Krystic Re-Evolution that is available to all “Three paths of the Kryst” through the ShĀ – DhaL – uun Rite.

The Ma-jhi-Ta “Benders” Councils have 2 Sub-divisions, the **“Faun-TE’-jha”** “Menders” (healers) and the **“Tan-Tri-A’-jha”** “Blenders.”

The **Tan-Tri-A’-jha** (“Tan-Tric”) Shield within the *Aquaferion Host Shield* activates 08/12-15/2011 (SL-11) via Code Activation of the “Tan-Tric Twin” Sets.

The **Faun-TE’-jha** (“Faun-Tic”) Shield activates 10/2011 during the India Shield Clinic.

## And the Internal Eternal Creation DhA'-ya-TEi Planes

## The 7 Eternal Internal Core Cos-MĀ'-yah Suns and the Eternal DhA'-ya-TEi "Phim Families" of Krystar Adashi Adepts

The "Phims" are families of Adashi Adepts who completed Krystar Ascension to Adashi – 3 end to become Krystars. They reside in individuation when they choose within the DhA'-ya-TEi planes, & interact on service missions with External Creation. When on Krystic Service Missions they incarnate directly from the D-planes in Tantric & Fauntic Twin sets & return-Ascend to the D-planes following each chosen twin incarnation.

When incarnating as Tantric & Fauntic Twin sets, the "magnetic-ve" "female" is called a Yoshi & the "male" "+ve electric" is called an Aden. The Yoshi keeps her Krystar Chamber open via incarnating the required minimum of 66% of her quantum, while the Aden incarnates only 33% of his quantum. When their contracts activate, Yoshi transfers plasma currents from Krystar to awaken Aden; Aden becomes a "Yoden" when he integrates the remaining 66% of his quantum.

## The 2<sup>nd</sup> Stages of Plasma Body Activation (1/2/11)

"Graduation to Adashi Adept in Charuun Great Hall" (Elemental Template Manufacturing Area) of Sanctuary Island Ah – yah 3 777 D-span Generator will "raise the RAYUS" to RhA-yas Island Temple DN5 & activate the Living Lotus plasma body & open the Krystar Chambers of everyone in Kryst Shield; then will open & activate the D-span network on Earth - & send the activation wave out to the 1,728,768 Tan-Tri-A'jha shield members to begin the "Externalization of the Kryst."

## The 777 D-span Generator Gates & the 13 Vows Of the RhAyas Ah-min'-yahs

The "13 Vows of RhAyas Ah-min'-yahs," when enacted through "RhA Command" Aqualene Sun-1 Tan-Tri-A'jha Twin pair, allow the Plasma Bodies of the twins to fully Blend in the "2 Become-3-Become-1" configuration. This configuration of "Divine Eternal Plasma Currents" serves to open the Bio-fields of the TTJ Twin Set, whereby they together Become a Living Krystar Gate, through which the Cos-MĀ'-yah Krystar Chamber of the Krystal River Host can open into the external creation field in which the TTJ Twin Set reside & through completion of the "13 Vows of RhAyas-Ah-min'-yahs," the TTJ Twin Set becomes an open conduit to the Eternal Cos-MĀ'-yah Core Krystar, through which the 3 "777 D-span Ah-min'-yah Core Plasma Generator Gates" of the Krystal River Host can be set (primed), anchored & activated.

Anchoring of the 3 "777 D-span Generators opens the "7 Bridges Flow" (DN4/ DN5 D-plane Plasma Flows) of planetary-galactic-universal-Cos-MĀ'-yah Krystar Chamber to Aqualene Sun-1 of internal Eternal Creation. Activation of the 3 "777 D-span Generators" allows the generators to engage phasing for plasma-quantum generation. The entire D-span gate system of the Krystal River Host operates upon (and is fueled by) the Core Plasma Currents manufactured by the 3 "777 D-span Generators."

There are 12 secondary D-span Generator networks & 144 Tertiary D-span networks. The 3 Primary 777 D-spans & the 12 secondary D-spans are the only "2-way Gates" (can pass in & back out again) in the entire span network. All gate networks of the Krystal River Host rely upon – the Plasma Quantum Power down stepped & amplified by the 3 777 D-span generators.

Progressive fulfillment of the "13 Vows" by the 1<sup>st</sup> activated Tan-Tri A'jha Sun-1 Twin Set has successfully resulted in several planetary events of a "Cosmic Level." Through the progression of the 13 Vows from 11/9/11 through 1/1/2012 the **following series of planetary events has unfolded:**

8/18/11: The St. Petersburg, FL. Relay Site (remote control site) for the Aurora – 7 D-span Generator was "Set" (Primed for remote-Anchor of the Aurora-7 Plasma flows).

9/25-10/8/11: The "planetary Tara-KEi-Ti Plasma Aden Keys" were picked up from their "Phim Temple" storage area off the coast of St. Lucia, so the Tara-KEi-Ti Aden Keys could be "set" into the India Tara-KEi-Ti Gate Network in preparation for activation. The "Aden Keys," when activated, allow the opening of the Cos-MĀ'-yah Core Plasma currents into the planetary-universal-light body, creating a "sheath of Plasma protection" within the light body & atomic body that protects still-viable Krystic QTM from succumbing to "Dark Flower" awakening.

10/15/11 India: The Aden Keys were "set" into the India Tara-KEi-Ti Network, via the D-span Gates that were "set" during the India trip.

11/12/11: The "Sanctuary 7" 777 D-span Generator Site was cleared, secured and "set" for remote Aden Key Activation via its Relay Site.

11/30/11: The Aden Keys were activated within both the Aurora-7 & Sanctuary-7 777 D-span Generator Sites via Sanctuary-7 Relay site "the Eye of Aurora" AND the "Eye of God" Cos-MĀ'-yah Core Bud Plasma Generator phase cell for Each of the 3 777 D-span Generator Gates was "Birthed" on Earth (7 is awaiting "phase-activation" - to be done 1/2/2012).

12/6-7/11: 3 of the 4 "Destiny Keys" Blend Codes were activated within the 3 777 D-span Generator Sites, putting the 3 Earth 777 Generators "on-line" with their counterpart 3-Temple Generators on DN2 Salvage Island, DN3 Sanctum Island & DN4 Sanctuary Island.

12/12/11: Planetary Krystening: Planetary Krystar Chamber open in 3-777 D-span Generator Sites.

12/13/11: Confirmation of the RhAyas: planetary Krystar Up-flows open as the RAYus of the DN4 Sanctuary Island Aya Temple Generator raised to RhAyas Island DN5 initiating the "7 Bridges Flow" on Earth.

1/2/12: We will anchor DN5 "Unspoken Ones" & initiate Krysta A'jha Wave of transfiguration to activate the D-span gate system on Earth. We will also transmit the "13 Vow Wave" to the Aquafereion Shield to block the Dark Flower Awakening.
